Children's Day at Greenville church last Sunday morning was a success in every way. The children carried out one of the best programs that have been given in the church. The received much praise from the large congregation present for the admirable way in which they acted their parts. The songs, dialogues and recitations were very appropriate and each contained lessons of value for every one present.

Little Misses Evelyn Purdette, Gladys Smith and Rebecca Hawthorne each received a beautiful testament for reciting the Child's Catechism from memory, without a mistake. The pastor presented the testaments and spoke words of encouragement to the children for their good work. The following ladies trained the children and deserve much credit: Misses Rosa and Eva Seawright, Cora Haddon, Pearl Hawthorne, Margaret Dallas, Macie Sharpe and Mrs. J. M. Dallas.

MRS. NANCY ALDONS

Mrs. Nancy Aldons died at the home of her nephew, Mr. J. N. Gordon, last Friday morning. Mrs. Aldons had been a great sufferer for many months, but bore her affliction with great patience and Christian fortitude. During her long illness she was tenderly cared for by her nephew and niece, Mrs. Lily Gordon, and everything that love could do was done for her. "Aunt Nancy" was a lovely Christian woman, and was loved by everyone who knew her.

Interment took place at Greenville church on Friday afternoon, and the services at the church and at the grave were conducted by Rev. J. M. Dallas.

A large number of friends and neighbors were present to show their love and respect for the departed one.

"Blessed are the dead, which die in the Lord."

MOB ATTACKED JAIL

Durham, N. C., July 22.—The Rev. Robert M. Price, pastor of the Lakewood Methodist church and a sergeant in the Durham machine gun company, tonight issued a sworn statement in which he declares emphatically that a masked mob attempted to storm the Alamance county jail Monday night and fired upon the machine gunners guarding the jail before the soldiers fired a shot. Sergeant Price says that he was in command of the machine gun that fired first, and that before ordering his men to fire, he had narrowly escaped injury or death from bullets which whizzed by his head.

NEGRO PUGILIST

AGAIN IN TOILS

Jack Johnson Returns To United States—At Once Goes To Jail

Los Angeles, July 20.—Jack Johnson, former heavyweight champion pugilist of the world, who crossed the international boundary line from Lower California today was brought here tonight from San Diego and lodged in the county jail. He probably will leave in the custody of federal officers tomorrow for Chicago to begin serving a sentence for violation of the Mann act, federal officials said.

Johnson, who has been residing in Tiajuana, Mexico, several months, rode in an automobile to the Mexican side of the boundary. He shook hands with several Mexican officials walked to the American custom house, presented his passports and stepped across the line.

Deputy United States Marshal George Cooley and Dave Graham special agents of the department of justice were waiting for the pugilist and placed him under the arrest as he entered the United States.

When arrested Johnson grinned and said: "All right, but, say, it sure is good to get back in the United States again."

"I am returning voluntarily, for the Mexican government has issued no deportation order against me, as was reported some weeks ago, and I could have remained in Tiajuana as long as I was willing to obey the laws of Lower California, but for a long time I have wanted to return and get my troubles adjusted."

Johnson says he wanted to re-enter the ring, even if he serves a prison term.
